April 2013

President's Report

Our general meeting on 8th April was well attended and I thank all who attended. A concern was raised about foxes in the area. The location that they have been sighted is the Georges River National Park. I have been in touch with HCC and am waiting for a follow up. Please do not feed wild birds as they receive all their

nourishment from native bushland and it attracts the foxes and other feral creatures.

I would ask the resident who sent the February news letter to me to please contact me either to our e-mail address lpa40@hotmail.com.au or call me on 0411 486 897 or 9533 1094. I request this as it is very difficult to communicate to anyone without knowing who you are and I can only apologize to you for the newsletter not being delivered at the appropriate time. I have noted in my report on several occasions our newsletter is not advertising material however it is often delivered to your mail box along with other advertising material. Residents on our electronic mailout receive their newsletters instantly. This saves around two weeks. We are only too happy to add to our electronic mailout.

The next general meeting is on 6th May 2013 in St. Stephens Church Hall, Old Forest Rd, Lugarno commencing at 8pm sharp. Guest speaker will be Mark Coure, Member for Oatley. Mark will give an update on the progress of St George Hospital.

A reminder that 2013 memberships are now due. Renewals can be paid at Lugarno Pool Shop or at the meeting on 6th May.

Regards,
Joan Curtis, President

Backyard Swimming Pools

Drowning is a leading cause of accidental deaths in young children who lack cognitive and water skills to deal with the danger.

NSW has over 300,000 backyard pools so swimming pool safety is a vital issue that affects the whole community.

In 2012 there was a review of the 1992 Swimming pool act. This review identified a number of amendments designed to enhance the safety of children under the age of 5 years old around private backyard swimming pools in NSW.

The Act:

1. NSW Swimming pools register available for use by 29 April 2013
2. NSW Swimming pools to be registered by owners by 29 October 2013
3. Pool owners require a compliance certificate before sale or lease of their property from 29 April 2014

Pool Owners:

1. Will be required to register their pools on an online register provided by the NSW State Government.
2. Will be required to self- assess and state in the register that, to the best of their knowledge, their swimming pool complies with the application standards when registering their pool.
3. There is a penalty for owners who fail to register a pool of \$200.00.
4. Will be required to provide a valid swimming pool compliance certificate before being able to lease or sell a property.
5. Accredited certifiers under the Building Professional Act 2005 may conduct swimming pool inspections initiated by the owner.
