## The Lugarno Progress Association

THE VOICE OF LUGARNO SINCE 1922

### PRESIDENT'S REPORT

#### Vale Bill Matthei

This issue of the Lugarno Progress Associations newsletter is devoted to the loving memory of the late Bill Matthei who passed away in his orchard on Friday 2 November 2018. Bill's father Hans was one of the founding members of the LPA in 1922, appointed as the Treasurer when his grandmother Marie was the Secretary.

Bill has lived all his life at historic 'Glenlee' in Boronia Pde Lugarno and has seen Lugarno transformed from a rural haven to an urban village. He will be greatly missed and his family have our most sincere condolences. Rest in peace.

#### Photo Competition

Don't forget to enter our Photo Competition. Go to our web site at <http://www.lugarnoprogress.org.au> for instructions and an entry form. We are looking for shots that exemplify the natural beauty of Lugarno and the best entries will be selected for a photo book.

We are encouraging students of the Lugarno Public School to participate for the chance for their photo to appear on the cover and receive a cash prize.

Hope to see you at the next meeting.

## Guest Speaker Andrew Scipione

On 3 September we were treated to a presentation by the former Commissioner of Police, Mr Andrew Scipione (AO APM NPSM). Andrew spoke about domestic violence issues and its impacts on the community. His experience whilst in the NSW Police Force and now as an ambassador for the Fathering Project <http://thefatheringproject.org> meant he was well placed to help our members understand the importance of directing resources into domestic violence prevention. He is also a local resident.

## Track Walk

Ross Simon headed up one of his very popular track walks on 23 September attracting a group of over 35 keen walkers. He treated the crowd to his usual repertoire of historical facts and great knowledge of the local area. These walks are a great opportunity for some fresh air, meet new people and get some free exercise. Some wonderful photo opportunities along the way as many would see on the MyLugarno Facebook page taken by Lynne Slattery.

## Diary Dates

**Next LPA Meeting - 7.00pm Monday 3 December 2018.** Last meeting for the year and maybe a chance for a casual catch up and some cheese and bickies .
